

LAW DAY 2012

Law Day has become a special day in Highlands County. Court in Highlands County is recessed for the Law Day Program and the focus is on our students. Our Committee has been working on the Law Day theme, contest, and program already. We would like to fit the contests around your schedule as much as possible.

Our Judges and Highlands County Bar Association members ARE VERY INTERESTED IN OUR YOUTH. Every Highlands County and Circuit Judge will be attending the program, which is televised by Comcast. The prizes to the students will be given to them by the President of the Highlands County Bar Association and Judge J. David Langford, Circuit Judge of the 10th Judicial Circuit.

Our Law Day Committee will be happy to come your class to talk to your students about the importance of Law Day and the theme, **“No Courts, No Justice, No Freedom.”**

Please call Ray Hancock, Law Day Coordinator, at (863) 402-6621 to schedule a time and date for the attorneys to meet with your students:

***Suggested dates include:**

Thursday and Friday, November 17 and 18

Thursday and Friday, December 8 and 9

Thursday and Friday, January 12 and 13

Thursday and Friday, February 23 and 24

Thursday and Friday, March 22 and 23

***If these dates are not convenient to you, please give us a date with plenty of notice and we will do our best to schedule a speaker for you.**

The posters will be displayed on the windows in front of the Highlands County Government Center, and if we run out of room there, the rest will be displayed inside the courthouse.

Each and every teacher with a student winner was asked to stand with their student and be recognized, allowing the parents and press to have the opportunity for a photograph.
